Dear Mr Dixon

I am writing to you on behalf of a Korean prisoner Mr Sol Hun who was one of defendants in the Kim Dae Jung trial. He is the prisoner the Chicago Committee on Human Rights in Asia is picketing for the month of May. Despite some cosmetic changes the South Korean government is continuing to commit grave disregard human rights. Recently I believe that there should be no sales of F16s to the Chun dictatorship. Could you intervene with the State dept on behalf of the Kim Dae Jung defendants? I also urge you to vote NO on the confirmation of Robert Gates as [illegible] human rights and [illegible] think tank called [illegible] which I think [illegible] conflict of interest with [illegible] human rights. I also want you to voice concern to the Secretary of State over the policy of our government to pull out of the Wild guidelines
